

Our 52" and 65" Color LCD monitors have been proprietary designs for specific OEM customers. As such, we cannot provide detailed spec sheets.

Each model is available in full HD resolution 1920 x 1080p. They offer excellent viewing angle, brightness and contrast. You can select from a wide range of video inputs, specific features and unique capabilities. They are also available with a narrow bezel.

Please contact us at #1-847-259-2344 or sales@TRU-VuMonitors.com to discuss the size and features that are right for you.
