

MM-22C

HD Medical-Grade LCD Display

- 22" HD Medical-Grade Display
- Meets UL 60601-1 Specifications
- HD Resolution: 1680x1050
- VGA and DVI Video Inputs
- Dual Speakers
- Can Be Customized to Meet Your Needs
- 3 Year Warranty

The MM-22C is a HD Medical-Grade LCD Display, ideal for demanding surgical, medical and dental imaging applications. It meets stringent surgical requirements, and conforms to UL 60601-1. The MM-22C produces brilliant HD full color images with high contrast for excellent viewing in surgical, endoscopic and other procedures. The VESA-compliant mounting holes enable flexible mounting options such as a wall-mount, articulating arm or on a cart/stand. Backed by our 3-Year Warranty, the MM-22C provides the performance and durability required for demanding O.R., lab and clinical applications.

TRU-Vu customizable LCD monitors are specifically designed for use in demanding medical, industrial and commercial applications. Every TRU-Vu monitor utilizes industrial-grade components and high-end LCD panels not found in retail/consumer-grade monitors. This ensures superior image quality, improved performance and greater durability. Visit www.TRU-VuMonitors.com for more details.
